Recycling Centrals

- Bulky waste, electronic waste, white goods and hazardous waste

At the manned recycling centrals you can leave for example old furniture, flea market stuff, boards, large boxes, garden waste, hazardous waste and electronic waste. You put the right thing at the right place. The staff is happy to help so that your waste is properly sorted and can be recycled as far as possible.

There are two recycling centrals for people living in Malmö and Burlöv:
- Norra hamnen Recycling Central — Bjurögatan 20, Malmö
- Bunkeflo Recycling Central — Gottorpavägen 32, Malmö

Recycling Stations

At the Recycling Stations you can dispose of packaging material and newspapers. The Packaging and Newspaper Collection Service (FTI) is in charge of the Recycling Stations found in several places in Malmö and Burlöv. To find your nearest Recycling Station, go to ftiab.se

The Collector

You can leave the bulbs, energy saving lamps, small electronics and batteries in the Collector. The Collector is available in more than 20 grocery stores. vasyd.se/samlaren
